# PSALM OF LIFE

Tell me not, in mournful numbers,
Life is but an empty dream!—
For the soul is dead that slumbers,
And things are not what they seem.

Life is real! Life is earnest!
And the grave is not its goal;
Dust thou art, to dust returnest,
Was not spoken of the soul.

Not enjoyment, and not sorrow,
Is our destined end or way;
But to act, that each tomorrow
Find us farther than today.

Art is long, and Time is fleeting,
And our hearts, though stout and brave
Still, like muffled drums, are beating
Funeral marches to the grave.

In the world's broad field of battle,
In the bivouac of Life,
Be not like dumb, driven cattle!
Be a hero in the strife!

Trust no Future, Howe'er pleasant!
Let the dead Past bury its dead!
Act,—act in the living Present!
Heart within, and God o'erhead!

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time;

Footprints, that perhaps another,
Sailing o'er life's solemn main,
A forlorn and shipwrecked brother,
Seeing, shall take heart again.

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

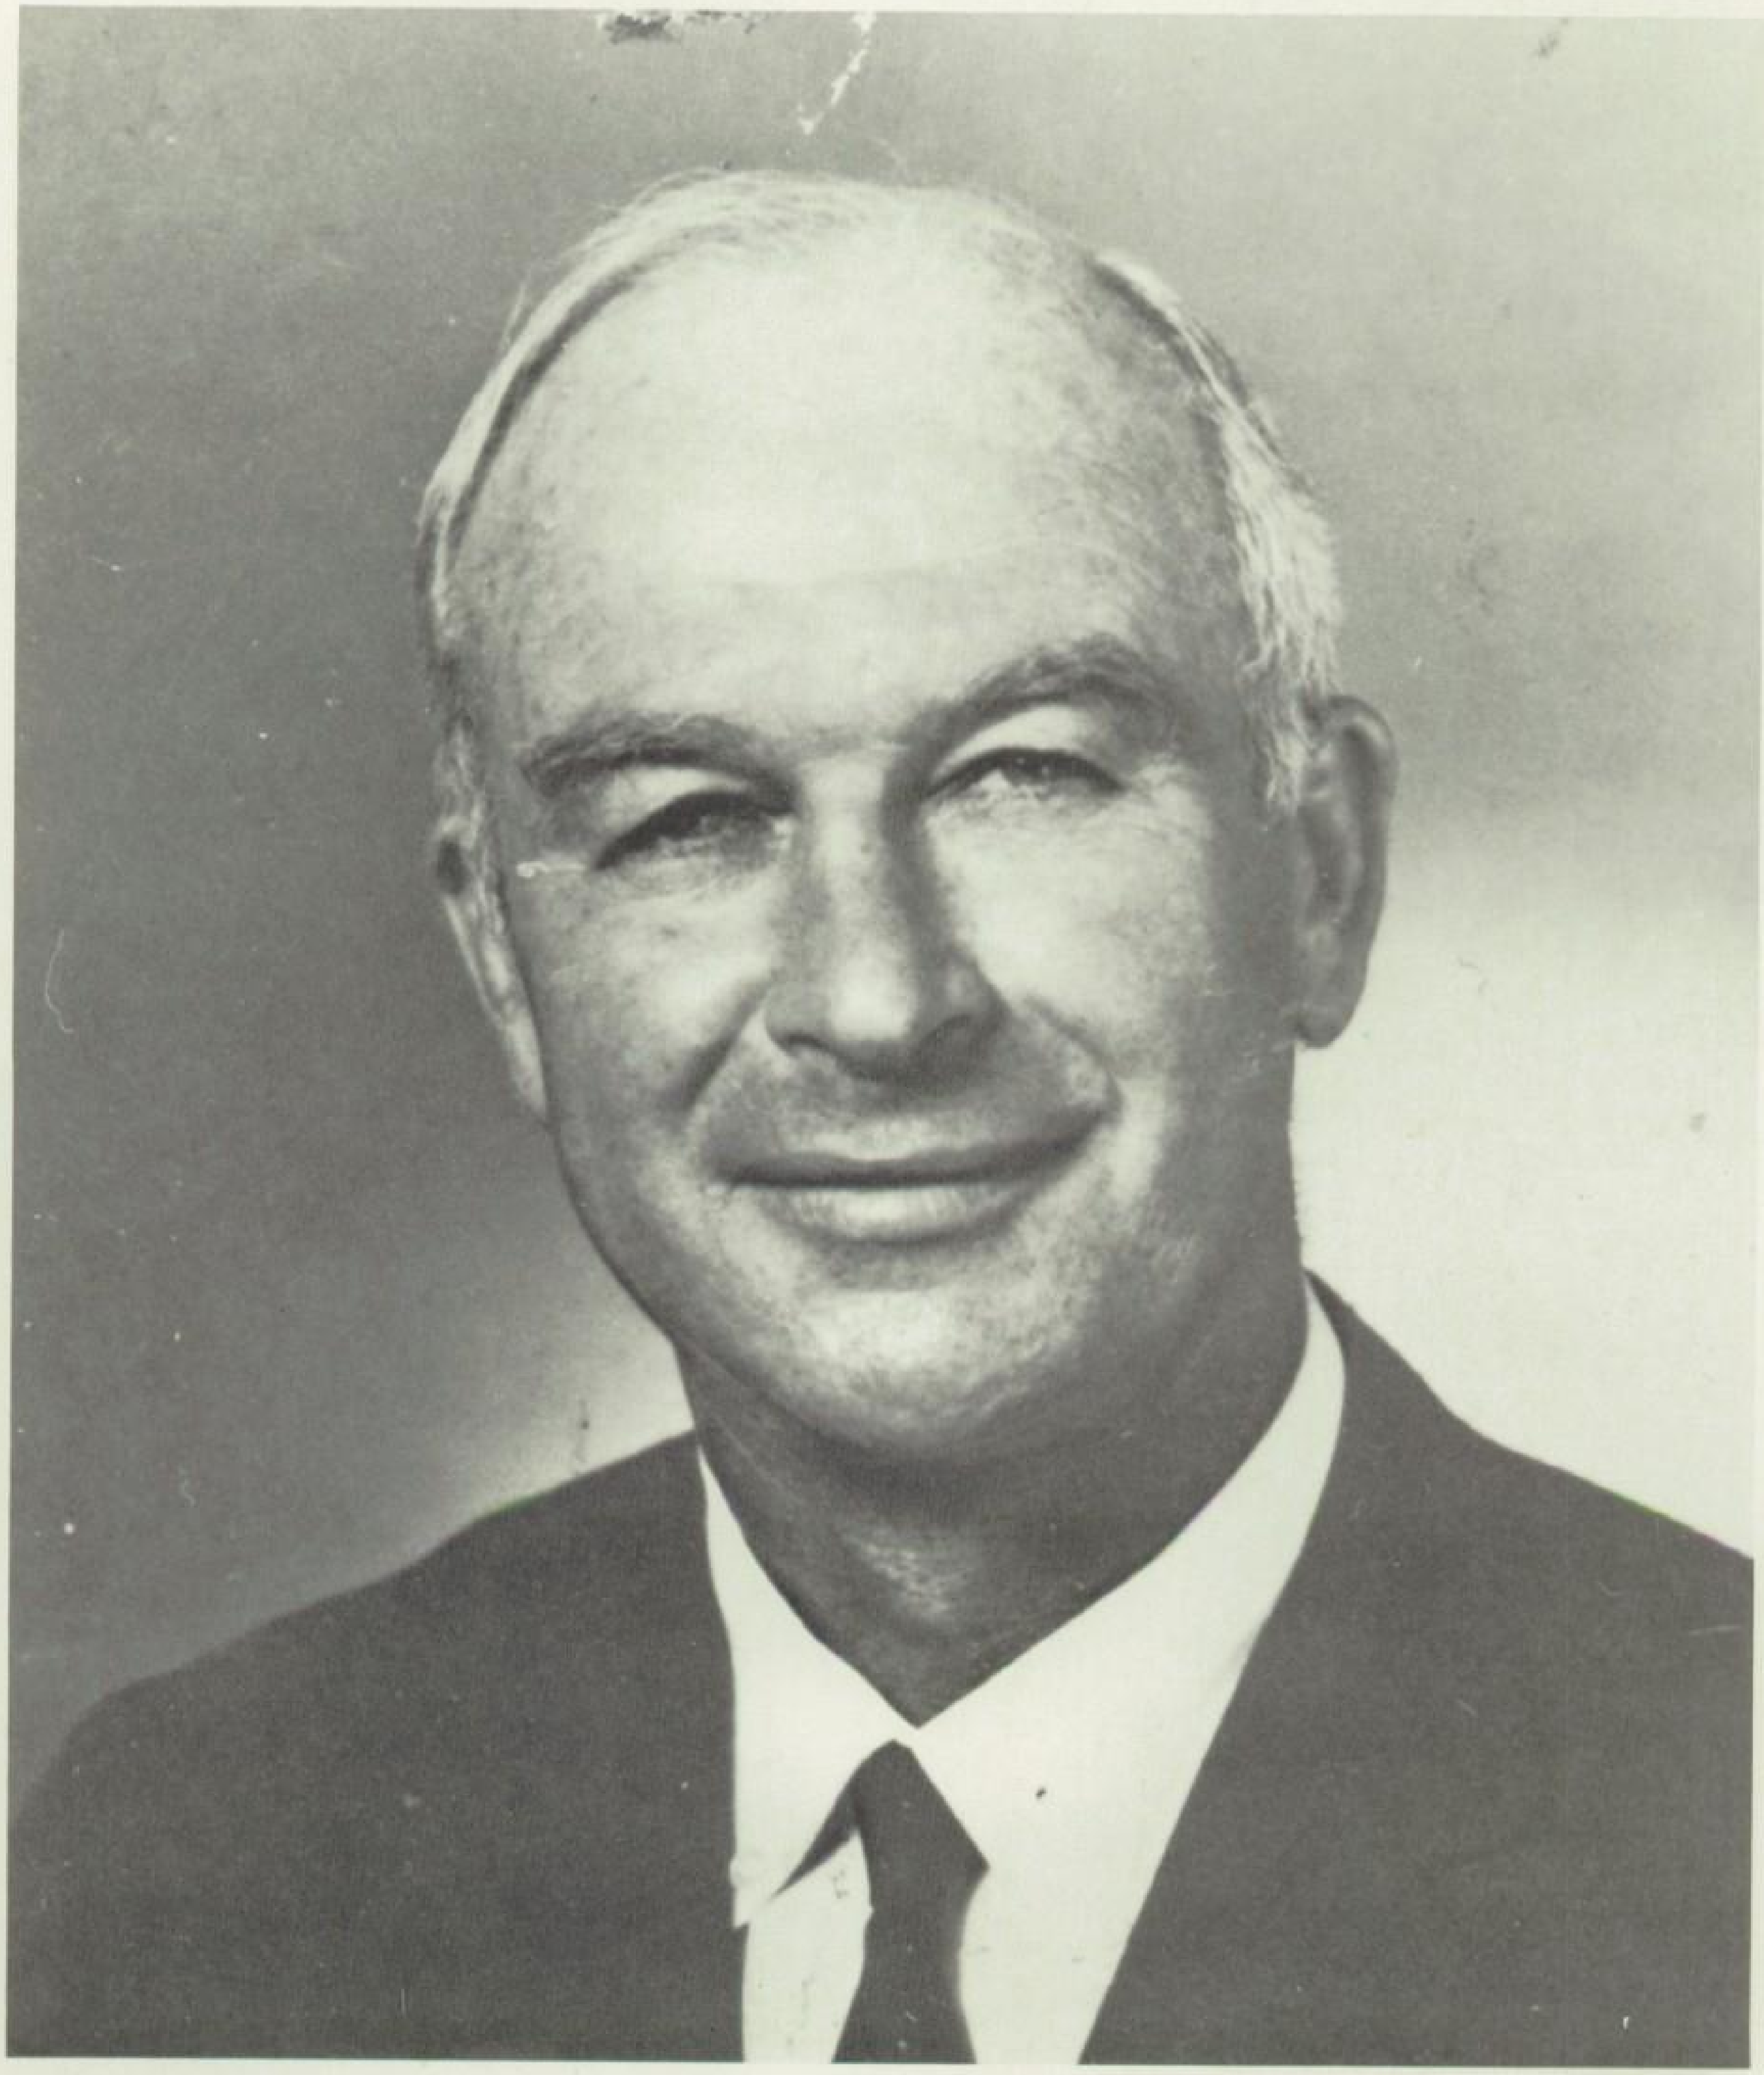
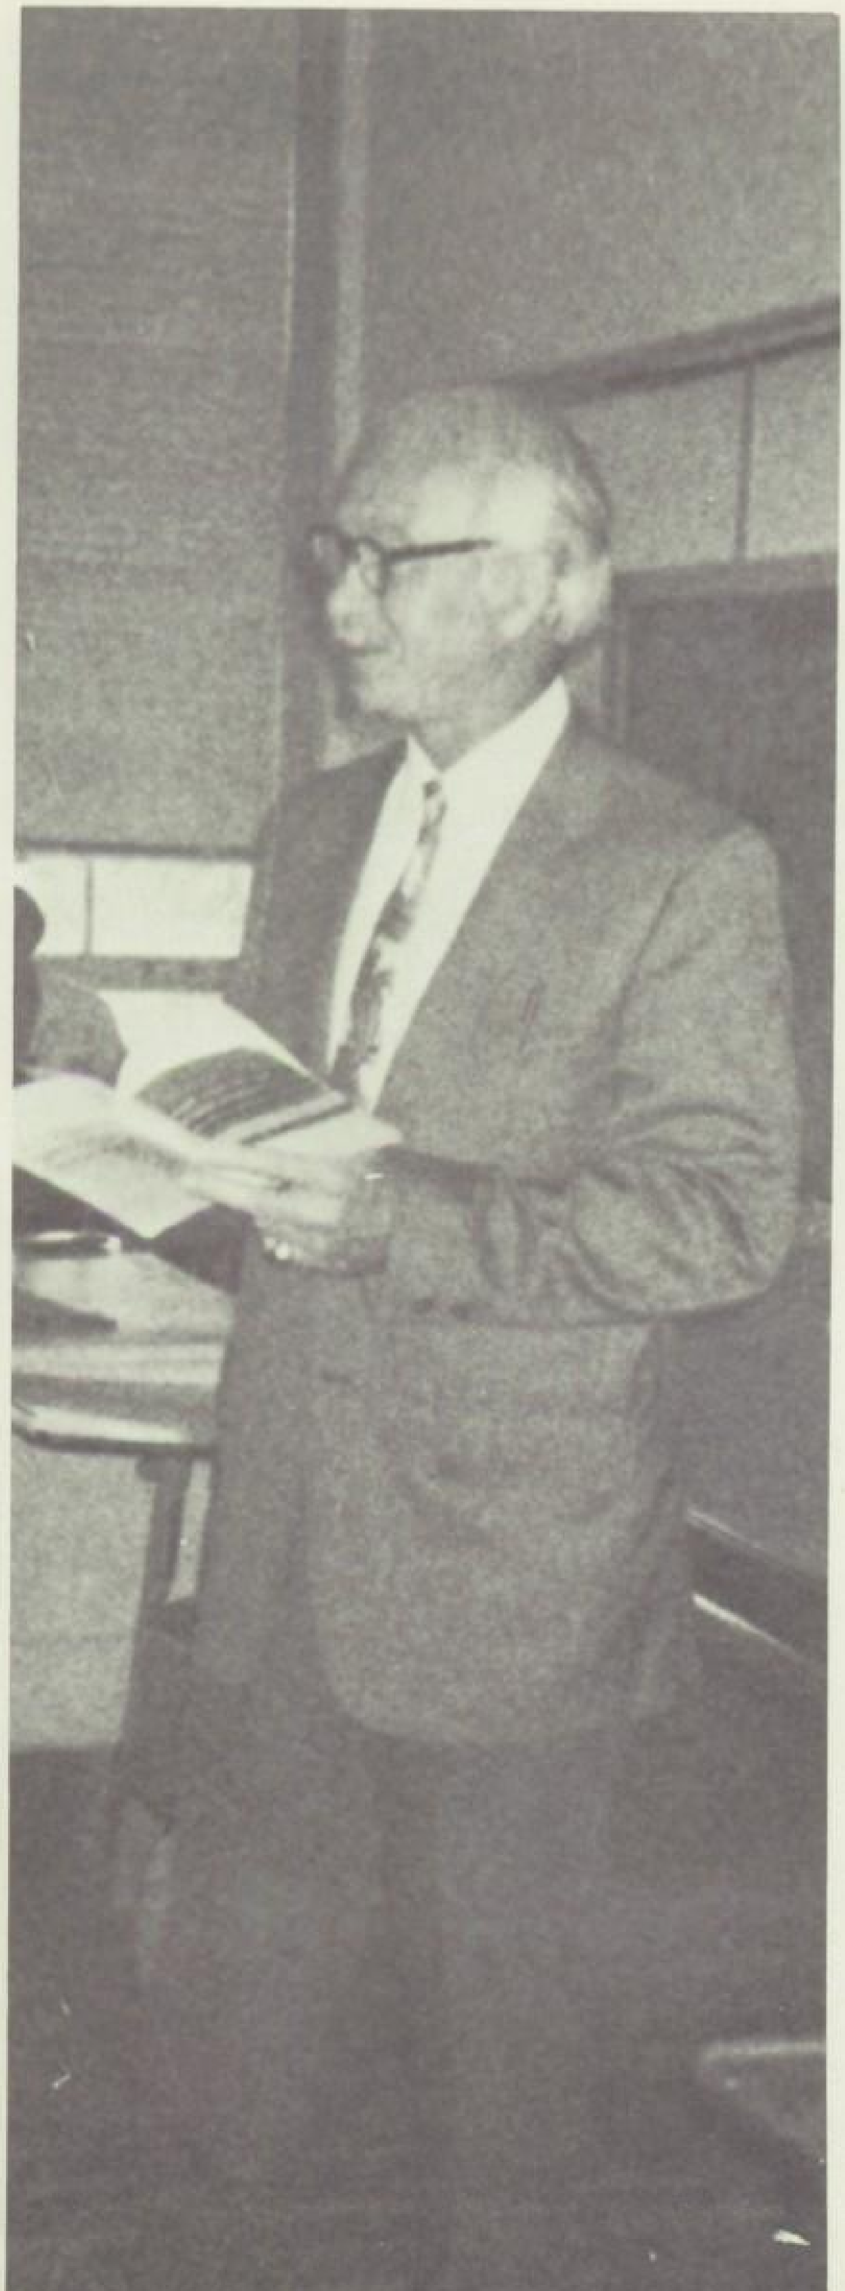
# DEDICATION



Mr. John Slayton



When it is time to decide on the individual who has made an outstanding contribution to Jefferson the choice isn't an easy one to make because there are many to whom we should show appreciation.

What does one say about a teacher who is young at heart, understanding, encourages his students to be the very best, who is always willing to help, always there to listen and there when one just wants to talk, who is sincere, who has ambition and far reaching goals, who is on the same level with his students but maintains their respect, and who in all aspects bridges the generation gap with poise, dignity and a sense of responsibility.

The only words we know to say are simply "Thank you, Mr. John Slayton, for being the person you are."

# Plans Under Way for Modern Library

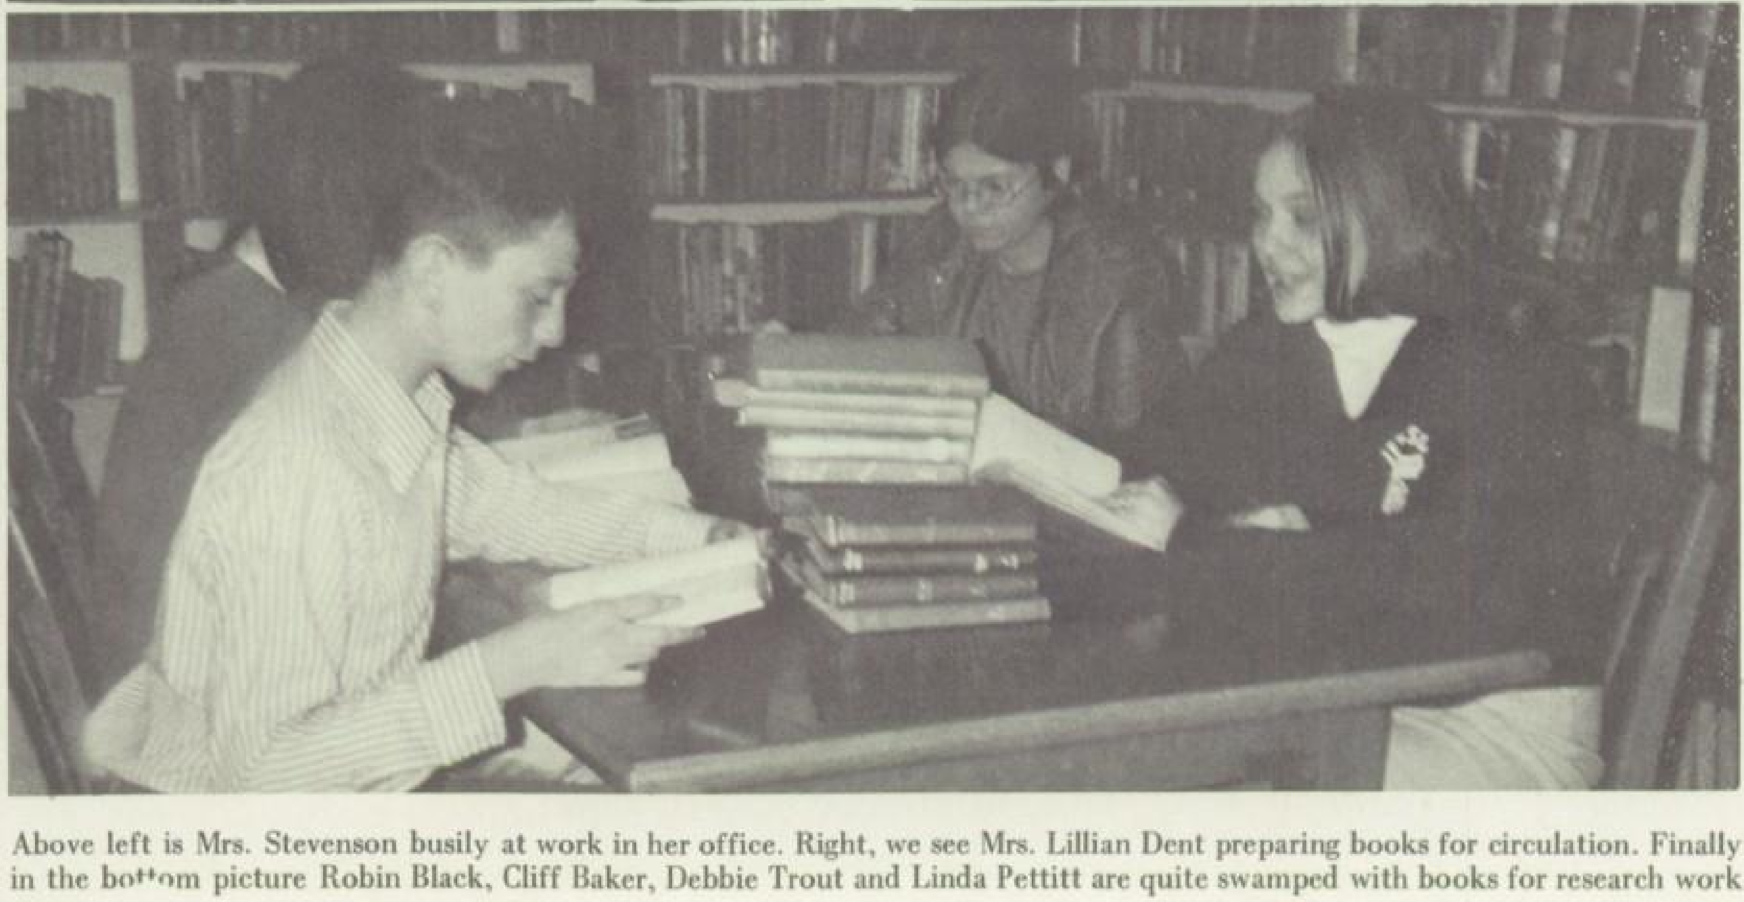
Mrs. Mary Virginia Stevenson

Mrs. Lucille Cottrel

Knowledge and understanding of any subject is sure to be increased by reading, and here in the Jefferson library each student and faculty member had an opportunity to research hundreds, even thousands, of topics included in the approximately 12,000 volumes, 125 magazine and 3 newspaper subscriptions.

Under the direction of Mrs. Mary Virginia Stevenson and Mrs. Lucille Cottrell the work and study in the library played a valuable role in the educational development of Jeffites.

Plans are being made to move the library facilities into the old girls' gym which will be renovated into an extremely modern media center.



Above left is Mrs. Stevenson busily at work in her office. Right, we see Mrs. Lillian Dent preparing books for circulation. Finally, in the bottom picture Robin Black, Cliff Baker, Debbie Trout and Linda Pettitt are quite swamped with books for research work.

Test results give the guidance department insight as to the course into which students should be steered.

In the early fall sophomores began the testing routine with NEDT tests. The juniors followed suit with their days of testing devoted to the STEP-SCAT tests.

Even our seniors who wanted to go to college were able to take preview tests for college board exams.

Each grading period the guidance counselors talked with students who had not made satisfactory grades and attempted to head off problems as they arose.

Everyday Mrs. Brust and Mr. Hamrick are handed dozens of excuses from students wanting tardy slips, temporary leaves, and admit slips. Then, of course, comes class cuts!

Believe it or not students at Jefferson do cut classes!

Mrs. Brust, Mrs. Dabney, and Mr. Hamrick worked very hard this year trying to keep students straight, and in our opinion, their job was done beautifully. To Mrs. Brust, Mrs. Dabney, and Mr. Hamrick – Thank You!

# Incomes Increased by Typing and Shorthand Skills

**Mrs. Mildred Brust**—Girls' Attendance, Typing I, National Honor Society

**Miss Judy Ervin**—Data Processing, Cheerleaders, Typing

**Miss Frances Hale**—Clerk Typist I, General Business, Business Club

**Mrs. Sandra Hancock**—Clerk Typist II, Steno II, V.O.T. Co-ordinator, Business Club

**Miss Anne Ledford**—Typing I, General Business, Clerk Typist, Yearbook

**Miss Isabelle Reid**—Steno I, Clerk Typist I, Department Chairman

Skill in typing and shorthand and office machine operation can be of great value as a selling point to a prospective employee.

Jefferson's business department offers basic training in typing, shorthand, data processing and office machines. In addition to these skills, classes in general business provide an understanding and appreciation of our economic system and how business affects our lives every day.

We had many English Courses offered to the students this year which enabled them to enroll in the classes of their choice. The juniors and seniors had the privilege of changing English at the end of the 1st Semester. We had new teachers to help provide this program; they were Mrs. Broady, and Mr. Wright, both from Addison.

# The Fine Arts Department Brings Recognition to Jefferson

**Mr. Laban Johnson** —Stage Craft, Play Production, Thespians

**Mrs. Beulah Lowe**—Art, Art Club

**Mr. Steve Mabry**—Band, Key Club

**Mr. Roland Plasterer** —Choir

Mr. Mabry, Mrs. Lowe, Mr. Johnson and Mr. Plasterer of the Fine Arts Department were admiring the new curtains which added a beautiful touch to dramatic productions.

To whet the cultural appetite with some of the finer things of life is the aim of the Fine Arts Department. This has often been a difficult and busy task, but the band and choir together with the art and dramatics departments have found numerous successful ways to accomplish this aim. The dramatics department entertained us with outstanding performances in "The Birds" and "Peter Pan." The band and choir took part in the dedication of the gym, performed during assemblies and P.T.A. meetings while the pep band "played on" at games and pep assemblies. To the amazement of all, the art department displayed some creations made of welded scrap metal. Later in the year the students enjoyed a paint-in at which time beautiful works of art including body painting were done. Bulletin boards and hall displays constantly echoed the fact that the art students were always busy.

# Math Fits a Changing World

**Mrs. Hester McCabe** —Algebra I, Algebra II, Geometry, Department Chairman

**Mrs. Constance Watson** —Geometry, Algebra II, Advanced Math, Algebra I

**Mrs. Dorothy Witten** —Senior Math, Algebra I, Algebra II, Math I

**Miss Judy Wilmoth, student teacher, Mrs. Witten, Mrs. McCabe and Mrs. Watson take a moment out to go over explanations to some math problems.**

Jefferson's math department offers a diversified program which enables students, not only to meet their requirements, but also to broaden their interests in this field through electives. Besides offering the usual courses in Plane Geometry and Algebra I and II, the Math department offers Contract Algebra I which is a detailed course requiring two years for completion; Senior Math which is an elective course in practical mathematics available to juniors and seniors; and Advanced Math. This Advanced Math course has Algebra II as a pre-requisite and consists of studies in Logarithms, Trigonometry, Analytical Geometry, and an introduction to Calculus.

# Physical Education Provides Fun and Learning

**Miss Cathy Campbell** —Girls' Sophomore Physical Education, Girls' Basketball, Girls' Athletic Association

**Mr. Tom Lovell**— Boys' Junior Physical Education, Football

**Mr. Harold Sink**—Boys' Sophomore Physical Education, Football, Baseball

**Miss Judy Walker** —Girls' Junior Physical Education, Girls' Athletic Association

**Mr. Lloyd Woods**— Drivers' Education

The physical education program aims: to provide opportunities for participation in physical activities that will result in educational experiences; to develop the organic systems of the body so that each student may live at his highest level; and to develop skills in activities with favorable attitudes toward play that will carry over into future careers and leisure hours. In addition to the physical education class, courses in health and driver education are offered. Students enjoy the varsity program which offers competition in volleyball, basketball, gymnastics, tennis, softball and track. The intramural program creates much excitement throughout the school and the runner-up and winning teams compete in a city-wide tournament.

Miss Judy Walker, Miss Cathy Campbell, and Mr. Harold Sink.

# Science: A Language Within Itself

Mr. Sinkler, Mr. Poindexter and Mrs. Pittman are shown here as they discuss some of the latest science equipment.

**Mrs. Mary Pittman** —Chemistry, Biology, Physics

**Mr. Carnis Poindexter** —Biology

The Science Department

The offerings in the Science Department are designed to meet the needs of the students who plan to pursue a career in science as well as those needs that arise in the daily lives of each student. Courses in biology, chemistry, are planned and conducted on the premise that "the behavior of living things is ordered by the constantly changing influences of their biological, chemical, physical and social environments."

Through the use of films, lab experiments, field trips and various other techniques, our department is always striving to keep abreast of the new developments in our highly scientific society.

**Mr. William Sinkler** —Biology

# Social Studies Improves Citizenship

**Mrs. Myrtle Dudley** —Government, American History, Future Teachers of America

**Miss Mildred Kerlin** —Government, American History, Red Cross

**Mr. Dan Monk** —Sociology, Government, Football, Track

**Mr. David Osborne** —American History, Football, Track

**Mr. Frank Smith** —Government, Department Chairman

**Mr. Stuart Williams** —Sociology

What do you think when you hear someone criticize America? Does it immediately put you on the defensive or perhaps, though we hope this isn't the case, your attitude is that it doesn't really make any difference.

We feel that our social studies department gives students a knowledge of their heritage and ancestors that brings an appreciation of problems faced by our country as well as the entire world. Citizens with a broader understanding of the operation of our government would naturally be better prepared to improve any weaknesses and faults through proper channels.

Mr. Danny Monk, Mrs. Myrtle Dudley, Mrs. Lucy Terrell, Miss Kerlin, Mr. Charles Wright, Mr. Frank Smith, Mr. Stuart Williams, Mr. Dave Osborne.

# Jefferson Offers Varied Vocational Training

**Mr. Kermit Fink** —Welding

**Mr. Joe Huddleston** —Sheet Metal

**Mr. Guy Plymale**—Auto Mechanics

**Mr. Joe Rhodes** —Machine Shop

**Mr. Neil Roberson** —Mechanical Drawing

**Mr. Robert Young** —Printing

There can hardly be a more rewarding and worthwhile scene than the training of young men in fields of work such as automotive mechanics, machine and welding shops and printing and mechanical drawing.

Jeffites could choose from these lines of work as well as traveling to nearby Addison to take electronics or woodworking.

With such basic knowledge as this the student opens doors for himself into a vast world of industry that can provide an even higher standard of living.

Mr. Rhodes, Mr. Fink, Mr. Young, Mr. Plymale and Mr. Huddleston.

Mrs. Sandra Hancock – Clerk Typist; V.O.T. Co-ordinator

Mr. Mike Jones – I.C.T. I, II, III; I.C.T. Co-ordinator

Mr. James Mundy – D.E. I, II, III; D.E. Co-ordinator

Mrs. Ramona Williams – Health Careers Co-ordinator

Mr. Jones, Mrs. Williams and Mr. Mundy discuss some of the job problems of their students.

Mrs. Jacquelie Hughes – Home Economics

Mrs. Jean Lawhorne – Home Economics

Mrs. Lawhorn and Mrs. Hughes looked over swatches of material for new draperies.

Mr. Carrol Adams – French

Miss Margaret Brown – Spanish, Guidance Coordinator

We think one will find that students who take French or Spanish enjoy becoming familiar with customs and traditions of those people in other lands.

These languages are usually taken in preparation for the college bound student.

The languages are learned by the process of oral class drill, listening to recordings, and many vocabulary drills from the text as well as reading stories written in French or Spanish.

Those enrolled in French are taught by Mr. Adams and in Spanish, Miss Brown.

Clubs are also organized to stimulate interest in the languages.

Special Education classes are provided for those students who do not benefit from the regular classes but can achieve success in classes adapted to their specific needs, academic, social, or vocational. These academic and social skills are taught through the vocational oriented material with more emphasis on work study. The students are an integrated part of the school activities and at times the regular curriculum.

Mrs. Mavis Sink – Special Education

Distributive Education is a cooperative work program of education between the school and business community. In the morning, subjects required for graduation are taken. In addition one class of D.E. covers basic courses in product information, display, human relations, salesmanship, and many more. In the afternoon students work in selected distributive businesses. Academic Credit is given for on-the-job training. Earn while you learn.

Home Economics is a course for boys, as well as for girls. This course educates the student in principles of being a wiser consumer, which will then help them to establish and maintain happier and more secure homes.

This course teaches the student things such as sewing, cooking, family and home preparation.

The home economics department also sponsors the F.H.A.

# Honors and Awards

Susie Summers and Debbie Law represented Jefferson at Radford College for Girl's State which gave them a first-hand look at state government.

*So live that when thy summons comes*
*to join*
*The innumerable caravan, which moves*
*To that mysterious realm, where each shall take*
*His chamber in the silent halls of death,*
*Thou go not, like the quarry—slave at night,*
*Scourged to his dungeon, but. sustained and soothed*
*By an unfaltering trust, approach thy grave,*
*Like one who wraps the drapery of his couch*
*About him, and lies down to pleasant dreams.*—Thanatopsis—

National Honor Society

The National Honor Society has as its purpose the recognition of character, service, leadership and scholarship among its members. Our chapter inducts into its membership each spring those students of the junior class who have met the grade requirements since entrance into the eighth grade. Under the supervision of Mrs. Brust and Mr. Wright the society planned and played host to the senior banquet at which time special recognition was given to the honor graduates. Their most outstanding project was the tapping ceremony that is a part of their annual spring program.

Sponsored by the Roanoke Kiwanis Club the Key Club, under the supervision of Mr. Stephen Mabry, has been involved in many projects both in the community and at school. Early in the year their club float won first place in the Homecoming parade, and at Christmas they sponsored and delivered baskets of food to families in the community. Since November the members have been tutoring elementary school children. As a fund raising project, which helped send members to the district convention in Washington, D.C., they helped the Kiwanis sell tickets to a travelogue. In the early spring they set out to beautify the school by planting flowers in front of the new gym. Every Wednesday they have enjoyed the fellowship of the sponsoring Kiwanis members at a luncheon, and the culminating activity was a program concerning this year's activities that was presented to the Kiwanis Club. These young men have had an "action packed" year.

On Monday, March 22, the Vocational Office Training members held their annual Employer Appreciation Banquet. This year it was held at the Barn Dinner Theatre. Each student brought their employer in order to show their appreciation.

We had such distinguished guests as Mayor Roy Webber; Dr. Roy Alcorn, Dr. Robert Haynes, Assistant Superintendent of Roanoke City Schools; Miss Crumley, state supervisor of business education and several school board members.

Dinner was served and then certificates were awarded to each employer preceded by the play "Arsenic and Old Lace."

Distributive Education is a cooperative work program of education between the school and business community. In the morning, subjects required for graduation are taken. In addition one class of D.E. covers basic courses in product information, display, human relations, salesmanship, and many more. In afternoon students work in selected distributive businesses. Academic credit is given for on-the-job training. Earn while you learn.

In this highly "letter-labeled" society there is little wonder that some people may not be aware of the fact that VICA stands for Vocational Industrial Clubs of America. The purpose of this organization is to help young people on the high school level to develop student leadership with a deeper sense of understanding and pride in the community. During the month of February, VICA sponsored a first since its establishment. A week was set aside for ninth grade students who were interested in the vocational areas to come to Jefferson on a tour of all the vocational classes. One of the most significant events occurred in the spring at which time several of our twenty five members were in competition with students from other high schools in the district and the state. They participated in such areas as current events, spelling, welding, machine shop, and many others. VICA members have been constantly on the move and the results have been broader minds, improved skills and more productive citizens.

FIRST ROW—Dennis Secrist, Sergeant; Jerry Deaner, President; Butch Lemon, Secretary. SECOND ROW—Dwight Carter, Treasurer; Tommy Poff, Vice-President. THIRD ROW—Mr. Jones, Sponsor.

A breath of hope is felt because in the midst of today's troubled and changing times we still find young men with the courage of their Christian convictions. We find that these young men are members of the Fellowship of Christian Athletics organization. The club worked conscientiously throughout the year to send members to athletic camps during the summer. Only those who have been to these camps could even attempt to explain how valuable the experience is, not only from the standpoint of physical development but also from the standpoint of a maturing Christian Character.

Einsteins, Pasteurs, Curies, Salks, Sweitzers! By chance do we have individuals at Jefferson whose devotion to science could lead them even near the heights of discovery and achievement which has been attained by the illustrious figures we mentioned.

To stimulate and modify the interest in and knowledge of science, club members planned and took a most exciting trip to Washington, D.C. Their visit was described as exciting because they toured the Smithsonian Institute and also saw the many historical and beautiful sights of our nation's capital.

A great deal of helping and hard work went into this years Red Cross activities. They have worked hard to make their projects a success. Red Cross was made up of Representatives from each home-room. They attended meetings montly, they put forward a lot of time and work to help the Roanoke Valley Chapter of the Red Cross. The Red Cross helped make Jefferson the Best school in the Western District.

The influence of the teacher goes on forever. The student of today must think only of a time in the not so distant future when training gained now will influence the family he may have. We feel the influence is bound to be of the highest caliber so long as there are young people such as we have here at Jefferson interested in the field of teaching.

The club members, in order to increase their knowledge and understanding of educational development and teaching, organized and spent a day observing classes in session at various schools in the city.

An annual banquet was held on March 23 at the S&W Cafeteria.

Joyce Wimmer, Projects Chairman; Beth Fulton, Treasurer; Carolyn Murray, Vice-President; Vicki Stanley, President; Debbie Williams, Projects Chairman; Candi Price, Secretary.

# Sports Programs, Play Bills & Diplomas Printed By Graphic Arts Department

FIRST ROW – Kevin Overfelt, Darrell Gallagher, David Yopp, David Hall, Mr. Young. SECOND ROW – David Webster, Allan Graybill, Mike Quesenberry, Roger Stevens, Gary Brown, Donald Shockley, Calvin Markham.

The Graphic Arts department provides training for students who are interested in printing.

These students print all the diplomas for graduating classes of all four high schools, print all football and basketball programs, and all programs for the high school plays.

This department also prints special pictures for various covers.

They are qualified to do anything a printing department is supposed to do.

The equipment alone is worth $15,000, and with the help of the students the department can be the best around.

Diane Wilson, Secretary; Lee Hall, Treasurer; Joan Kelly, President; Robert Clark, Vice-President.

# Art Club Sponsors Paint-In

FIRST ROW – Penny Eubank, Sandra Broughman, Linda Thomas, Joyce McDonald, Kristian Spickard, Donna Dixon, Anita Rockhill. FOURTH ROW – Jerry Ferguson, David Robertson, Leroy Carter, Joe Quarrells, David Hairfield, Andy Davis, Eddie Blankenship, Houston Whitlow, John Witt.

A broader and more complete appreciation of art developed because of the efforts made by the club members.

There were exhibits in the department itself as well as other areas of the school. For example the main hall was the display area for art objects designed by the art students but then brought to life by the welding department.

On February 11 the girl's gym was turned into a colorful, mod, small-scale Greenwich Village as the setting for a fun-filled day known as a "Paint-In" to which crowds of students came either to try their hand at some work of art or to be painted – even to the extent that some were the object of those who were trying the latest fad, "body painting."

FIRST ROW–Cathy Johns, KaSandra Poole, Barbara Hubbard, Marie Jennings, Wanda Bowles, Linda Wilson, Becky Blankenship, Connie Durham, Paula Williams. SECOND ROW–Mrs. Lawhorn, Angela Bennett, Theresa Lawrence, Robin Bennett, Marilyn Brown, Cindy Jones, Judy Terry, Janice Cottman, Debbie Williams, Susan Saker, Martha Umberger, Janet Shilling, Mrs. Hughes. # "Toward New Horizons" . . . FHA Motto

The motto "Toward New Horizons" gives us an idea of the ever increasing fields studied in home economics.

The Jefferson chapter took as an annual project "Our World–A Growing Heritage" which was developed by preparing a foreign foods luncheon.

Cook books were sold by club members as a money raising project.

The Girls' Athletic Association is an organization designed to stimulate and to expand the girls' interest in athletics. The program helps the young ladies build healthier bodies, make new friends, develop physical skills and exercise traits of good sportsmanship.

Any sophomore or transfer student is eligible for membership in this organization; however, to maintain membership a girl must earn 100 points each year. To get these points she may be a cheerleader, sell programs at the football games, and participate in varsity sports as well as the intramural programs. These girls have decorated bulletin boards that reflected the themes of the various holidays and their homecoming float won third place in the homecoming parade. At the end of the year the girls looked forward to their annual picnic, and they received letters, pins and trophies for their outstanding performances in sports.

Our organization is a member of the National Girls' Athletic Association.

# Yearbook Work Goes On . . .

Slowly but surely the work of the 1971 ACORN yearbook staff began.

What was this new challenge facing the staff members. The majority of them had never heard of drawing layouts, writing copy, identifying, labeling and numbering pictures, much less being aware of a completely new vocabulary of printing terms.

Some days proceeded smoothly and it was only natural though that others would go somewhat hectic and wrong.

It is with a sense of pride and achievement that this staff presents to Jefferson the 1971 ACORN.

Below left is Kathy Fisher, Editor; Center, Miss Ledford, advisor; right, Theresa Lawrence, Co-editor.

# And On . . . And On

T.H.I.N.K. . . . I think that's how you spell it!

I don't want to hear about it!!

Look at all those pictures!!

Take it easy and see what you think!

Mr. Campbell and his editor Ralph Bratton worked with the staff diligently to get the magazine published.

Freedom of expression! This one phrase is heard so often today. Certainly by working on the magazine staff one found that there was a good opportunity to express himself freely.

Topics of every description were researched, discussed, sometimes protested and sometimes upheld – always in a most lively and interesting way.

It is the opinion of this yearbook staff that students who wrote for the magazine were most perceptive and that they expressed their creative talents to the highest degree.

Mr. Ronald Campbell, Supervisor; Jonise Morman, Editorial Editor; Miss Bays, Student Teacher; Susan Summers, Editor-in-chief; Lynn Callahan, Sports Editor.

Accumulating the school news, year round sports action, and writing contentional editorials in the interest of the students, were some of the jobs performed by the Jefferson News Staff of 1970-71.

Publications kept the staff moving to meet the deadlines of the press. Printing done by Roanoke Printing which required communication with that business.

# Choir Encourages Music Appreciation

Derek Church – Vice president; Myrtle Ferguson – Secretary; Patsy McGhee – Treasurer; Tommy Helms – President; Beth Fulton – and Robin Richardson – Robe Chairman.

Under the leadership of Mr. Roland Plaster, the Jefferson High School Choir rose to high esteem. Students were motivated to appreciate music more fully by participation in the choir or from simply enjoying what they heard. Many hours of hard work, determination and practice produced the sound which won praise from fellow classmates as well as from adults. A new year and new music added much enjoyment to the choir this year.

MR. STEPHEN MAYBRY
Director

What a busy, busy year the "Marching Magicians," Jefferson's band had. Just to read the list of activities would cause extreme fatigue; but here it is — played at all football and basketball games, took part in the homecoming parade, numerous pep assemblies, the Shrine Bowl parade, Rocky Mount Christmas parade, Roanoke Christmas parade, hosted All-City band, played exchange concerts with Addison, played concerts in several elementary and junior high schools, and gave a spring concert.

Breathes there a soul so dead that does not appreciate marching band music! We think not! It is difficult to say enough in praise of our band, but we certainly want to thank them for making this year extremely lively and enjoyable.

Judy Carrington, Pam McGire, Sylvia Long, Karen Greer, Teresa Moses, Theresa Lawrence, Mary Jane LaBrie.

To the strains of the very lively tune "THE HORSE" sixteen lovely girls swing into precise rhythmic step.

These girls were seen in pep assemblies as well as performing at football and basketball games.

The drill team at Jefferson High School goes by the name Magicianettes and is under the direction of Mrs. Kristin Baier.

Girls on this team must be chosen by tryouts. They add color and life to our school and are certainly a necessary part of the integral band unit. For their fine contribution to school spirit of '71 the yearbook says thank you.

**Captains:** John Sweeney, Mike Tolley, Lynn Callahan, Gene Terry.

# Preparing for the Big Game

Coach Osborne through his tireless efforts has done much for the football team. His dedication and strength of leadership along with the skills of returning team members will make for a great team next year.

Enthusiastic school spirit as shown by Debbie Gray, Ange Deel and Mary Ellen Haga can surely help when things look gloomy for the team.

# Tempers Flare During Heat of Game

David Mitchell, No. 15, and John Sweeney, No. 42, move in against a Patrick Henry player to throw him for a loss.

Patrick Henry player downs Jefferson's David Mitchell, No. 15, as John Sweeney, No. 42, and Gene Terry, No. 19, look on.

# PSALM OF LIFE

Tell me not, in mournful numbers,
Life is but an empty dream!—
For the soul is dead that slumbers,
And things are not what they seem.

Life is real! Life is earnest!
And the grave is not its goal;
Dust thou art, to dust returnest,
Was not spoken of the soul.

Not enjoyment, and not sorrow,
Is our destined end or way;
But to act, that each tomorrow
Find us farther than today.

Art is long, and Time is fleeting,
And our hearts, though stout and brave
Still, like muffled drums, are beating
Funeral marches to the grave.

In the world's broad field of battle,
In the bivouac of Life,
Be not like dumb, driven cattle!
Be a hero in the strife!

Trust no Future, Howe'er pleasant!
Let the dead Past bury its dead!
Act,—act in the living Present!
Heart within, and God o'erhead!

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time;

Footprints, that perhaps another,
Sailing o'er life's solemn main,
A forlorn and shipwrecked brother,
Seeing, shall take heart again.

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

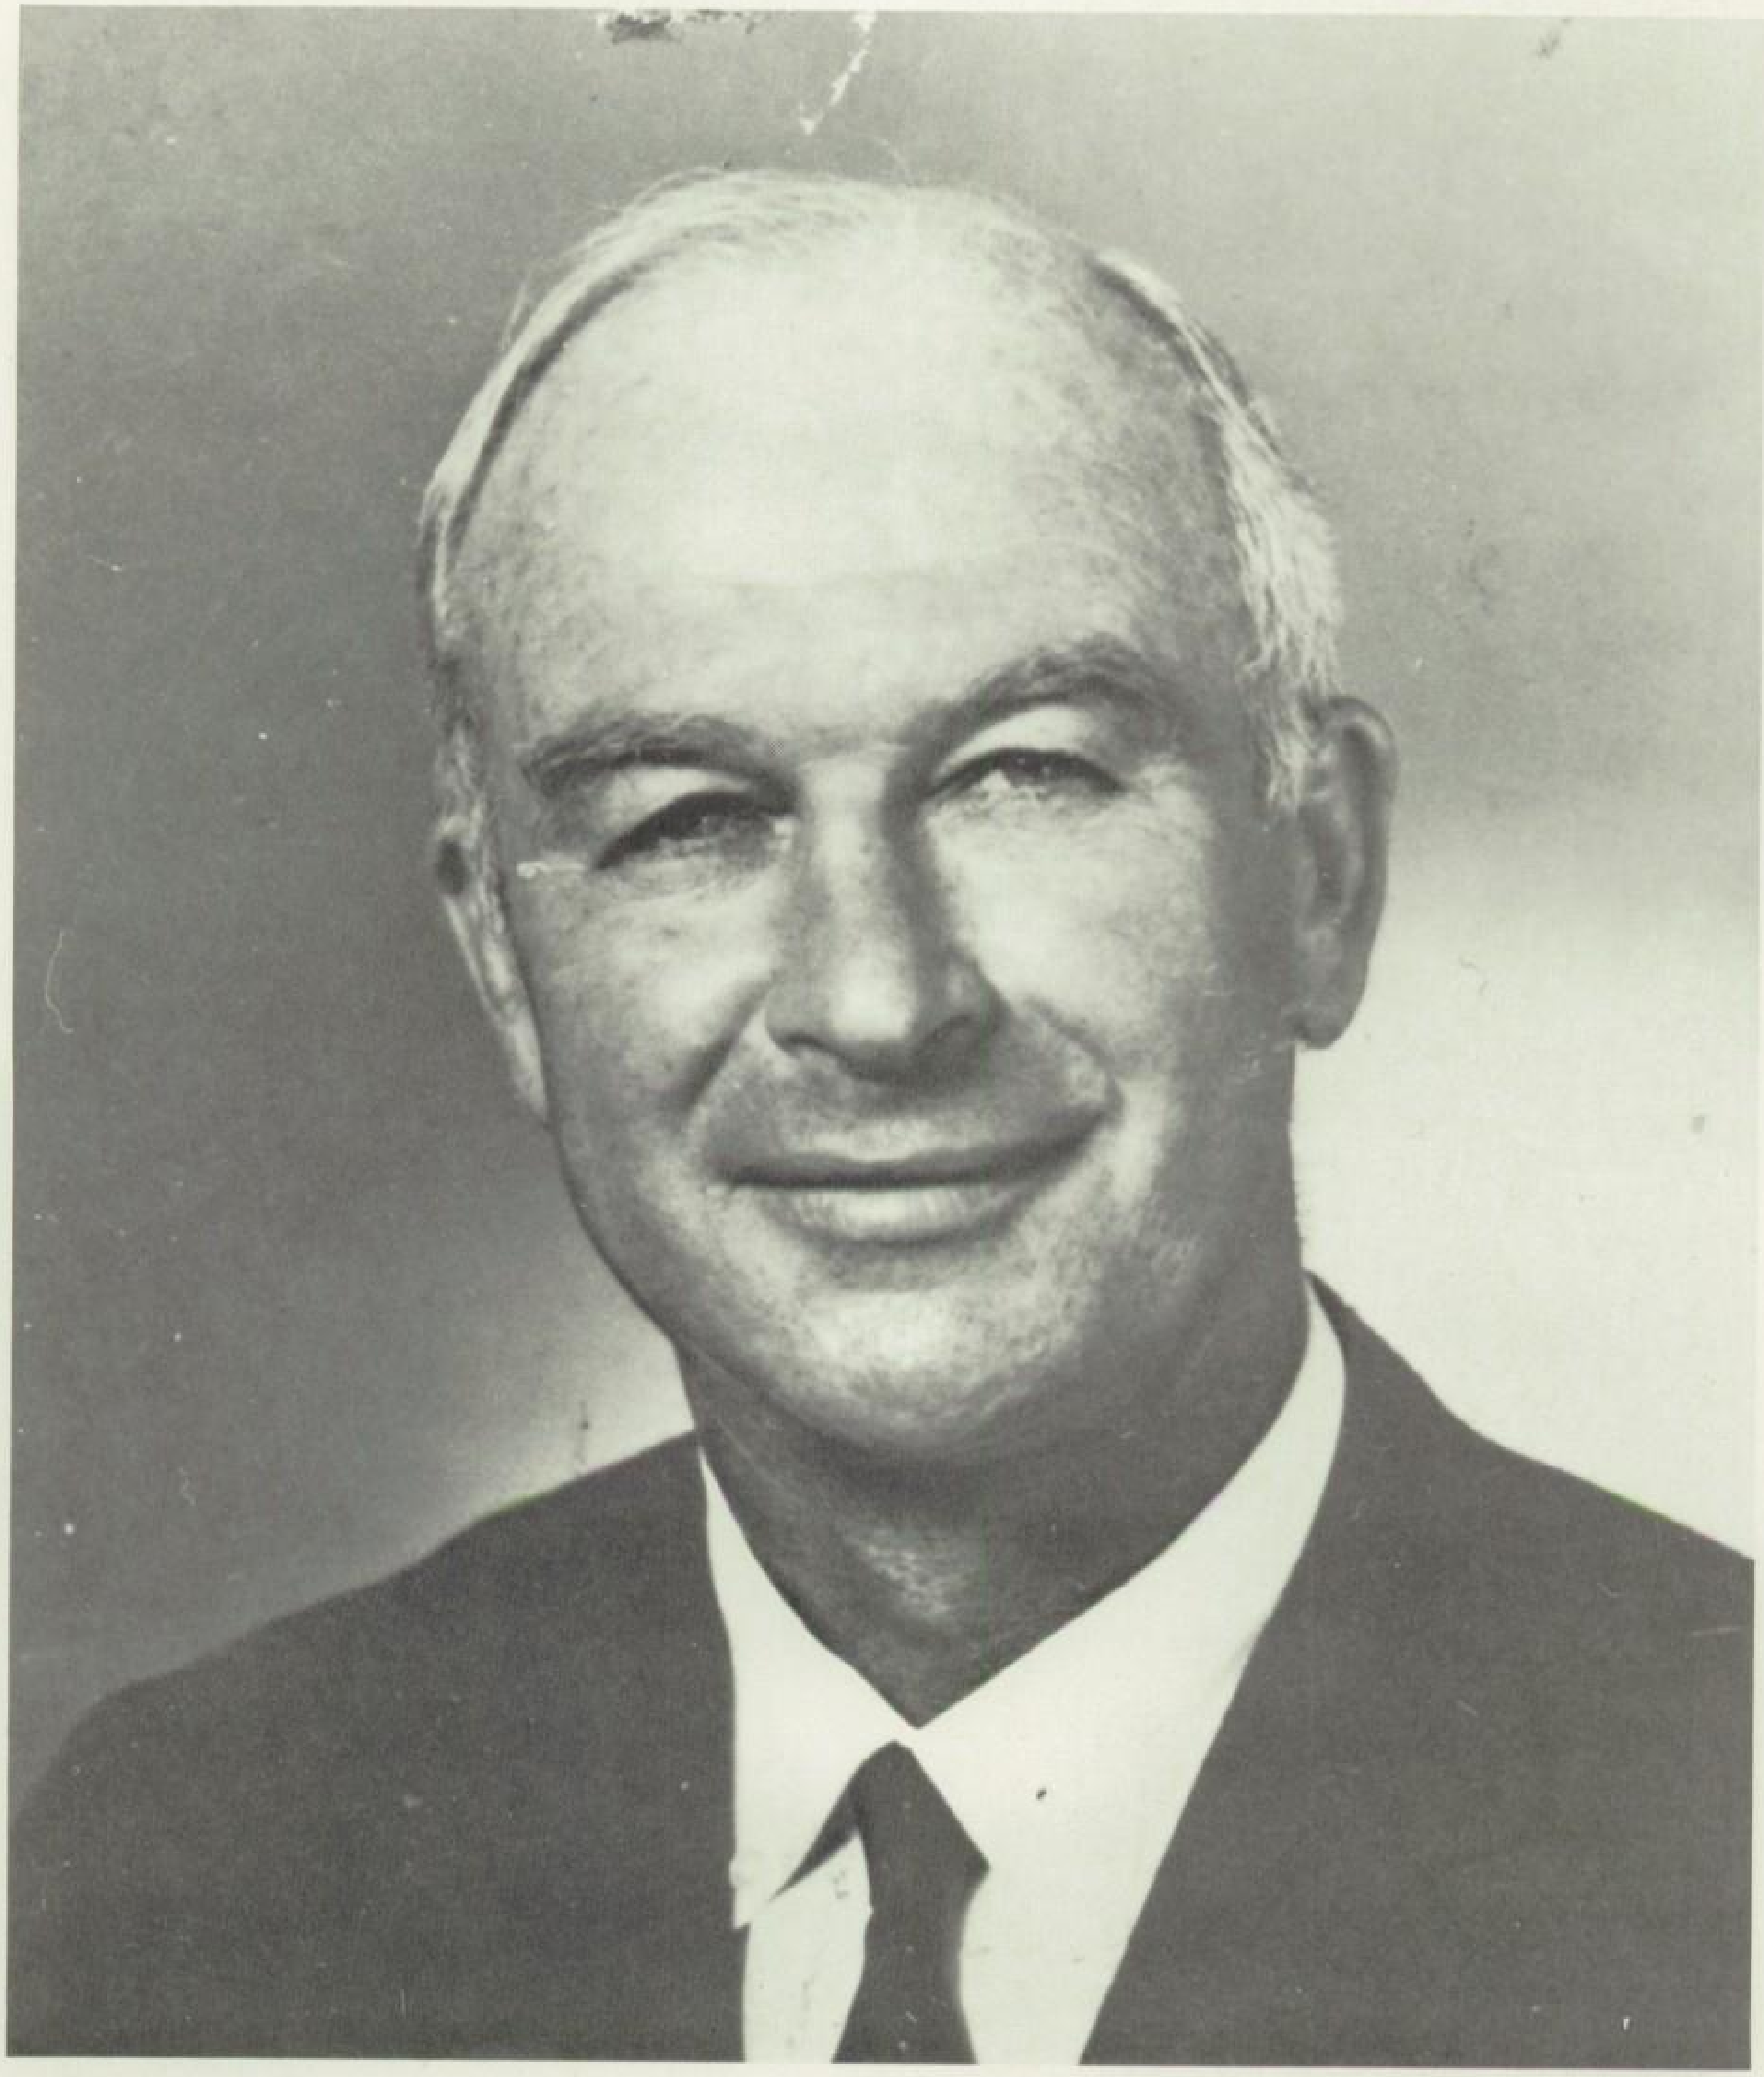
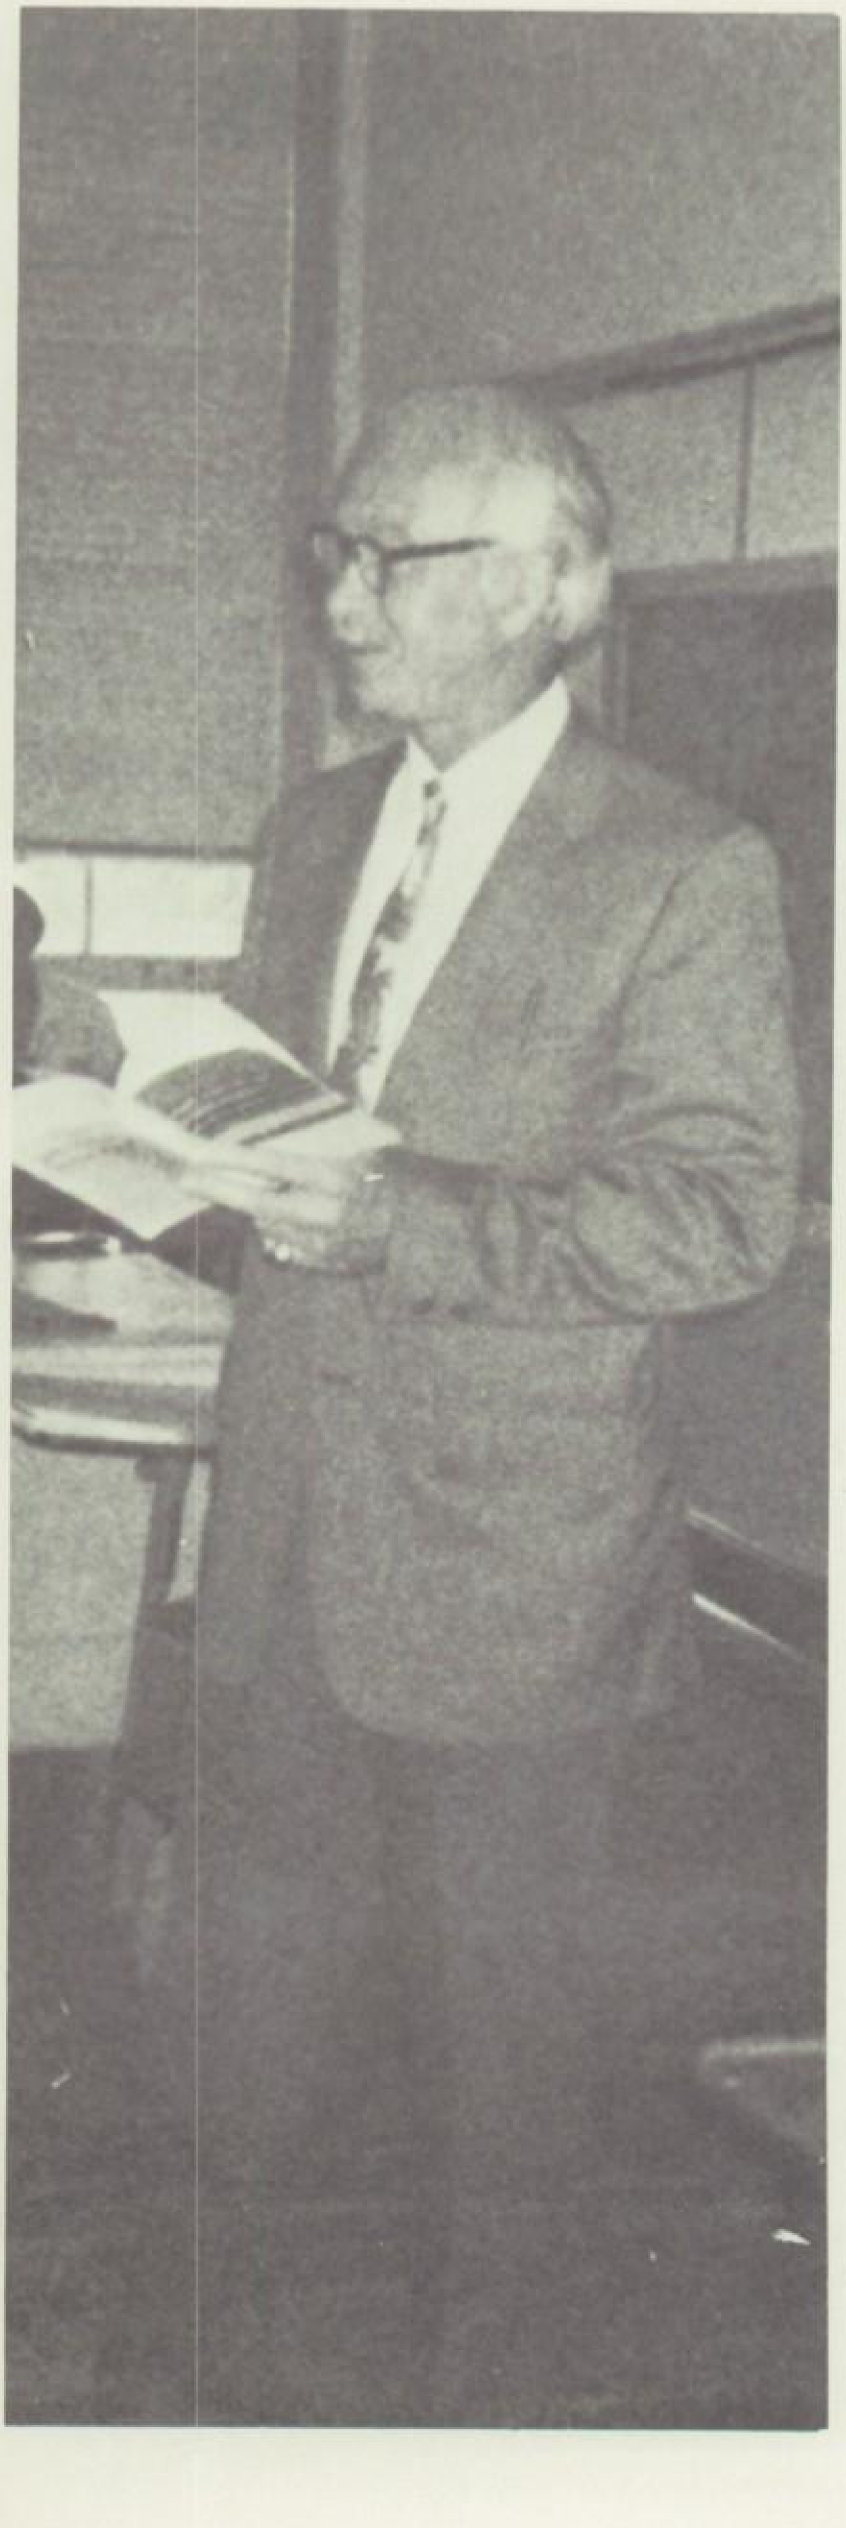
# DEDICATION



Mr. John Slayton



When it is time to decide on the individual who has made an outstanding contribution to Jefferson the choice isn't an easy one to make because there are many to whom we should show appreciation.

What does one say about a teacher who is young at heart, understanding, encourages his students to be the very best, who is always willing to help, always there to listen and there when one just wants to talk, who is sincere, who has ambition and far reaching goals, who is on the same level with his students but maintains their respect, and who in all aspects bridges the generation gap with poise, dignity and a sense of responsibility.

The only words we know to say are simply "Thank you, Mr. John Slayton, for being the person you are."

# Plans Under Way for Modern Library

**Mrs. Mary Virginia Stevenson**

**Mrs. Lucille Cottrel**

Knowledge and understanding of any subject is sure to be increased by reading, and here in the Jefferson library each student and faculty member had an opportunity to research hundreds, even thousands, of topics included in the approximately 12,000 volumes, 125 magazine and 3 newspaper subscriptions.

Under the direction of Mrs. Mary Virginia Stevenson and Mrs. Lucille Cottrell the work and study in the library played a valuable role in the educational development of Jeffites.

Plans are being made to move the library facilities into the old girls' gym which will be renovated into an extremely modern media center.

Above left is Mrs. Stevenson busily at work in her office. Right, we see Mrs. Lillian Dent preparing books for circulation. Finally, in the bottom picture Robin Black, Cliff Baker, Debbie Trout and Linda Pettitt are quite swamped with books for research work.

Test results give the guidance department insight as to the course into which students should be steered.

In the early fall sophomores began the testing routine with NEDT tests. The juniors followed suit with their days of testing devoted to the STEP-SCAT tests.

Even our seniors who wanted to go to college were able to take preview tests for college board exams.

Each grading period the guidance counselors talked with students who had not made satisfactory grades and attempted to head off problems as they arose.

Excuses! Excuses! Excuses! Some believable, some not.

Everyday Mrs. Brust and Mr. Hamrick are handed dozens of excuses from students wanting tardy slips, temporary leaves, and admit slips. Then, of course, comes class cuts!

Believe it or not students at Jefferson do cut classes!

Mrs. Brust, Mrs. Dabney, and Mr. Hamrick worked very hard this year trying to keep students straight, and in our opinion, their job was done beautifully. To Mrs. Brust, Mrs. Dabney, and Mr. Hamrick – Thank You!

# Incomes Increased by Typing and Shorthand Skills

**Mrs. Mildred Brust**—Girls' Attendance, Typing I, National Honor Society

**Miss Judy Ervin**—Data Processing, Cheerleaders, Typing

**Miss Frances Hale**—Clerk Typist I, General Business, Business Club

**Mrs. Sandra Hancock**—Clerk Typist II, Steno II, V.O.T. Co-ordinator, Business Club

**Miss Anne Ledford**—Typing I, General Business, Clerk Typist, Yearbook

**Miss Isabelle Reid**—Steno I, Clerk Typist I, Department Chairman

Skill in typing and shorthand and office machine operation can be of great value as a selling point to a prospective employee.

Jefferson's business department offers basic training in typing, shorthand, data processing and office machines. In addition to these skills, classes in general business provide an understanding and appreciation of our economic system and how business affects our lives every day.

Mrs. Hancock, Miss Hale, Mrs. Brust, Miss Ledford, Miss Reid, Miss Ervin.

# English Emphasizes Creative Skills

**Mrs. Elcy Alford** —English, Voice of Christian Youth

**Mrs. Delois Broady** —English, Voice of Christian Youth

**Mr. Ronald Campbell** —English, Newspaper, Magazine

**Mrs. Nina Cooper** —English, Bookstore, Senior Advisor

**Miss Linda Fletcher** —English, Student Cooperative Association

**Mrs. Dorothy Lipscomb**—English, Department Chairman

**Mr. John Slayton** —English

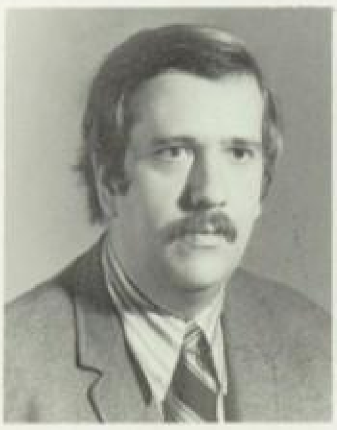
**Mrs. Sandra Webster** —English

**Mr. Charles Wright** —English, Government

Mr. Wright, Mr. Campbell, Mr. Slayton, Mrs. Cooper, Mrs. Broady, Mrs. Alford, Miss Fletcher, Mrs. Lipscomb, Mrs. Webster.

We had many English Courses offered to the students this year which enabled them to enroll in the classes of their choice. The juniors and seniors had the privilege of changing English at the end of the 1st Semester. We had new teachers to help provide this program; they were Mrs. Broady, and Mr. Wright, both from Addison.

# The Fine Arts Department Brings Recognition to Jefferson



**Mr. Laban Johnson** —Stage Craft, Play Production, Thespians

**Mrs. Beulah Lowe**—Art, Art Club

Mr. Mabry, Mrs. Lowe, Mr. Johnson and Mr. Plasterer of the Fine Arts Department were admiring the new curtains which added a beautiful touch to dramatic productions.

**Mr. Steve Mabry**—Band, Key Club

**Mr. Roland Plasterer** —Choir

To whet the cultural appetite with some of the finer things of life is the aim of the Fine Arts Department. This has often been a difficult and busy task, but the band and choir together with the art and dramatics departments have found numerous successful ways to accomplish this aim. The dramatics department entertained us with outstanding performances in "The Birds" and "Peter Pan." The band and choir took part in the dedication of the gym, performed during assemblies and P.T.A. meetings while the pep band "played on" at games and pep assemblies. To the amazement of all, the art department displayed some creations made of welded scrap metal. Later in the year the students enjoyed a paint-in at which time beautiful works of art including body painting were done. Bulletin boards and hall displays constantly echoed the fact that the art students were always busy.

# Math Fits a Changing World

**Mrs. Hester McCabe** —Algebra I, Algebra II, Geometry, Department Chairman

**Mrs. Constance Watson** —Geometry, Algebra II, Advanced Math, Algebra I

**Mrs. Dorothy Witten** —Senior Math, Algebra I, Algebra II, Math I

Miss Judy Wilmoth, student teacher, Mrs. Witten, Mrs. McCabe and Mrs. Watson take a moment out to go over explanations to some math problems.

Jefferson's math department offers a diversified program which enables students, not only to meet their requirements, but also to broaden their interests in this field through electives. Besides offering the usual courses in Plane Geometry and Algebra I and II, the Math department offers Contract Algebra I which is a detailed course requiring two years for completion; Senior Math which is an elective course in practical mathematics available to juniors and seniors; and Advanced Math. This Advanced Math course has Algebra II as a pre-requisite and consists of studies in Logarithms, Trigonometry, Analytical Geometry, and an introduction to Calculus.

# Physical Education Provides Fun and Learning

**Miss Cathy Campbell** —Girls' Sophomore Physical Education, Girls' Basketball, Girls' Athletic Association

**Mr. Tom Lovell**— Boys' Junior Physical Education, Football

**Mr. Harold Sink**—Boys' Sophomore Physical Education, Football, Baseball

**Miss Judy Walker** —Girls' Junior Physical Education, Girls' Athletic Association

**Mr. Lloyd Woods**— Drivers' Education

The physical education program aims: to provide opportunities for participation in physical activities that will result in educational experiences; to develop the organic systems of the body so that each student may live at his highest level; and to develop skills in activities with favorable attitudes toward play that will carry over into future careers and leisure hours. In addition to the physical education class, courses in health and driver education are offered. Students enjoy the varsity program which offers competition in volleyball, basketball, gymnastics, tennis, softball and track. The intramural program creates much excitement throughout the school and the runner-up and winning teams compete in a city-wide tournament.

Miss Judy Walker, Miss Cathy Campbell, and Mr. Harold Sink.

# Science: A Language Within Itself

Mr. Sinkler, Mr. Poindexter and Mrs. Pittman are shown here as they discuss some of the latest science equipment.

**Mrs. Mary Pittman**
—Chemistry, Biology, Physics

**Mr. Carnis Poindexter**
—Biology

### The Science Department

The offerings in the Science Department are designed to meet the needs of the students who plan to pursue a career in science as well as those needs that arise in the daily lives of each student. Courses in biology, chemistry, are planned and conducted on the premise that "the behavior of living things is ordered by the constantly changing influences of their biological, chemical, physical and social environments."

Through the use of films, lab experiments, field trips and various other techniques, our department is always striving to keep abreast of the new developments in our highly scientific society.

**Mr. William Sinkler**
—Biology

# Social Studies Improves Citizenship

**Mrs. Myrtle Dudley** —Government, American History, Future Teachers of America

**Miss Mildred Kerlin** —Government, American History, Red Cross

**Mr. Dan Monk** —Sociology, Government, Football, Track

**Mr. David Osborne** —American History, Football, Track

**Mr. Frank Smith** —Government, Department Chairman

**Mr. Stuart Williams** —Sociology

What do you think when you hear someone criticize America? Does it immediately put you on the defensive or perhaps, though we hope this isn't the case, your attitude is that it doesn't really make any difference.

We feel that our social studies department gives students a knowledge of their heritage and ancestors that brings an appreciation of problems faced by our country as well as the entire world. Citizens with a broader understanding of the operation of our government would naturally be better prepared to improve any weaknesses and faults through proper channels.

Mr. Danny Monk, Mrs. Myrtle Dudley, Mrs. Lucy Terrell, Miss Kerlin, Mr. Charles Wright, Mr. Frank Smith, Mr. Stuart Williams, Mr. Dave Osborne.

# Jefferson Offers Varied Vocational Training

Mr. Kermit Fink —Welding

Mr. Joe Huddleston —Sheet Metal

Mr. Guy Plymale—Auto Mechanics

Mr. Joe Rhodes —Machine Shop

Mr. Neil Roberson —Mechanical Drawing

Mr. Robert Young —Printing

There can hardly be a more rewarding and worthwhile scene than the training of young men in fields of work such as automotive mechanics, machine and welding shops and printing and mechanical drawing.

Jeffites could choose from these lines of work as well as traveling to nearby Addison to take electronics or woodworking.

With such basic knowledge as this the student opens doors for himself into a vast world of industry that can provide an even higher standard of living.

Mr. Rhodes, Mr. Fink, Mr. Young, Mr. Plymale and Mr. Huddleston.

Mrs. Sandra Hancock – Clerk Typist; V.O.T. Co-ordinator

Mr. Mike Jones – I.C.T. I, II, III; I.C.T. Co-ordinator

Mr. James Mundy – D.E. I, II, III; D.E. Co-ordinator

Mrs. Ramona Williams – Health Careers Co-ordinator

Mr. Jones, Mrs. Williams and Mr. Mundy discuss some of the job problems of their students.

Mrs. Jacquelie Hughes – Home Economics

Mrs. Jean Lawhorne – Home Economics

Mrs. Lawhorn and Mrs. Hughes looked over swatches of material for new draperies.

Mr. Carrol Adams — French

Miss Margaret Brown — Spanish, Guidance Coordinator

We think one will find that students who take French or Spanish enjoy becoming familiar with customs and traditions of those people in other lands.

These languages are usually taken in preparation for the college bound student.

The languages are learned by the process of oral class drill, listening to recordings, and many vocabulary drills from the text as well as reading stories written in French or Spanish.

Those enrolled in French are taught by Mr. Adams and in Spanish, Miss Brown.

Clubs are also organized to stimulate interest in the languages.

Special Education classes are provided for those students who do not benefit from the regular classes but can achieve success in classes adapted to their specific needs, academic, social, or vocational. These academic and social skills are taught through the vocational oriented material with more emphasis on work study. The students are an integrated part of the school activities and at times the regular curriculum.

Mrs. Mavis Sink — Special Education

Distributive Education is a cooperative work program of education between the school and business community. In the morning, subjects required for graduation are taken. In addition one class of D.E. covers basic courses in product information, display, human relations, salesmanship, and many more. In the afternoon students work in selected distributive businesses. Academic Credit is given for on-the-job training. Earn while you learn.

Home Economics is a course for boys, as well as for girls. This course educates the student in principles of being a wiser consumer, which will then help them to establish and maintain happier and more secure homes.

This course teaches the student things such as sewing, cooking, family and home preparation.

The home economics department also sponsors the F.H.A.

# Honors and Awards

Susie Summers and Debbie Law represented Jefferson at Radford College for Girl's State which gave them a first-hand look at state government.

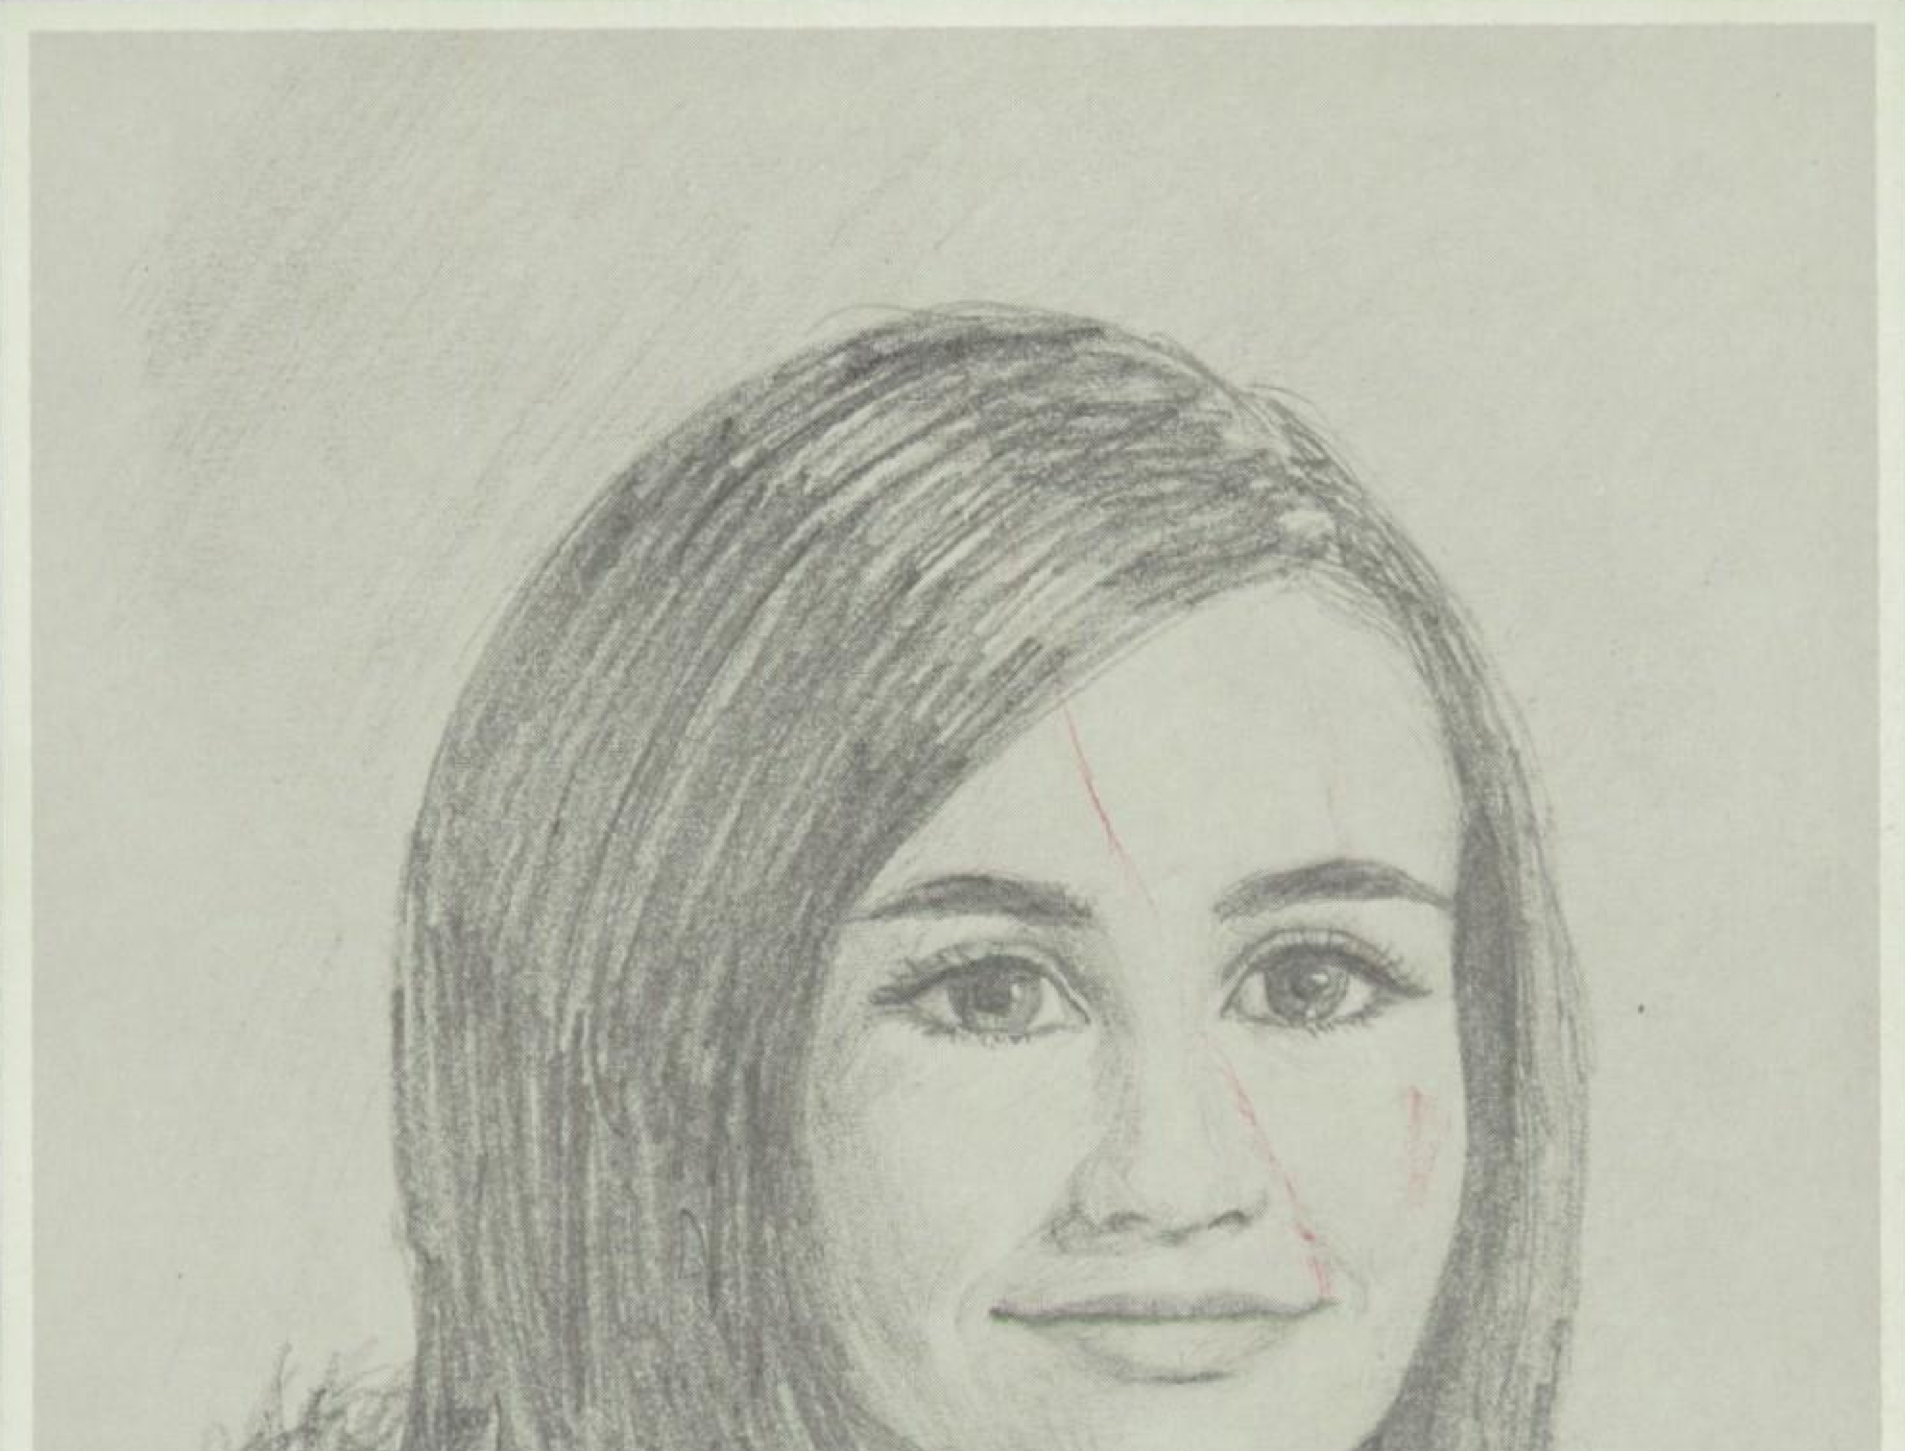
*Died—August 20, 1970*



*So live that when thy summons comes*
*to join*
*The innumerable caravan, which moves*
*To that mysterious realm, where each shall take*
*His chamber in the silent halls of death,*
*Thou go not, like the quarry—slave at night,*
*Scourged to his dungeon, but. sustained and soothed*
*By an unfaltering trust, approach thy grave,*
*Like one who wraps the drapery of his couch*
*About him, and lies down to pleasant dreams.*—Thanatopsis—

### National Honor Society

The National Honor Society has as its purpose the recognition of character, service, leadership and scholarship among its members. Our chapter inducts into its membership each spring those students of the junior class who have met the grade requirements since entrance into the eighth grade. Under the supervision of Mrs. Brust and Mr. Wright the society planned and played host to the senior banquet at which time special recognition was given to the honor graduates. Their most outstanding project was the tapping ceremony that is a part of their annual spring program.

Sponsored by the Roanoke Kiwanis Club the Key Club, under the supervision of Mr. Stephen Mabry, has been involved in many projects both in the community and at school. Early in the year their club float won first place in the Homecoming parade, and at Christmas they sponsored and delivered baskets of food to families in the community. Since November the members have been tutoring elementary school children. As a fund raising project, which helped send members to the district convention in Washington, D.C., they helped the Kiwanis sell tickets to a travelogue. In the early spring they set out to beautify the school by planting flowers in front of the new gym. Every Wednesday they have enjoyed the fellowship of the sponsoring Kiwanis members at a luncheon, and the culminating activity was a program concerning this year's activities that was presented to the Kiwanis Club. These young men have had an "action packed" year.

On Monday, March 22, the Vocational Office Training members held their annual Employer Appreciation Banquet. This year it was held at the Barn Dinner Theatre. Each student brought their employer in order to show their appreciation.

We had such distinguished guests as Mayor Roy Webber; Dr. Roy Alcorn, Dr. Robert Haynes, Assistant Superintendent of Roanoke City Schools; Miss Crumley, state supervisor of business education and several school board members.

Dinner was served and then certificates were awarded to each employer preceded by the play "Arsenic and Old Lace."

In this highly "letter-labeled" society there is little wonder that some people may not be aware of the fact that VICA stands for Vocational Industrial Clubs of America. The purpose of this organization is to help young people on the high school level to develop student leadership with a deeper sense of understanding and pride in the community. During the month of February, VICA sponsored a first since its establishment. A week was set aside for ninth grade students who were interested in the vocational areas to come to Jefferson on a tour of all the vocational classes. One of the most significant events occurred in the spring at which time several of our twenty five members were in competition with students from other high schools in the district and the state. They participated in such areas as current events, spelling, welding, machine shop, and many others. VICA members have been constantly on the move and the results have been broader minds, improved skills and more productive citizens.

A breath of hope is felt because in the midst of today's troubled and changing times we still find young men with the courage of their Christian convictions. We find that these young men are members of the Fellowship of Christian Athletics organization. The club worked conscientiously throughout the year to send members to athletic camps during the summer. Only those who have been to these camps could even attempt to explain how valuable the experience is, not only from the standpoint of physical development but also from the standpoint of a maturing Christian Character.

Einsteins, Pasteurs, Curies, Salks, Sweitzers! By chance do we have individuals at Jefferson whose devotion to science could lead them even near the heights of discovery and achievement which has been attained by the illustrious figures we mentioned.

To stimulate and modify the interest in and knowledge of science, club members planned and took a most exciting trip to Washington, D.C. Their visit was described as exciting because they toured the Smithsonian Institute and also saw the many historical and beautiful sights of our nation's capital.

The influence of the teacher goes on forever. The student of today must think only of a time in the not so distant future when training gained now will influence the family he may have. We feel the influence is bound to be of the highest caliber so long as there are young people such as we have here at Jefferson interested in the field of teaching.

The club members, in order to increase their knowledge and understanding of educational development and teaching, organized and spent a day observing classes in session at various schools in the city.

An annual banquet was held on March 23 at the S&W Cafeteria.

# Sports Programs, Play Bills & Diplomas Printed By Graphic Arts Department

FIRST ROW – Kevin Overfelt, Darrell Gallagher, David Yopp, David Hall, Mr. Young. SECOND ROW – David Webster, Allan Graybill, Mike Quesenberry, Roger Stevens, Gary Brown, Donald Shockley, Calvin Markham.

The Graphic Arts department provides training for students who are interested in printing.

These students print all the diplomas for graduating classes of all four high schools, print all football and basketball programs, and all programs for the high school plays.

This department also prints special pictures for various covers.

They are qualified to do anything a printing department is supposed to do.

The equipment alone is worth $15,000, and with the help of the students the department can be the best around.

Diane Wilson, Secretary; Lee Hall, Treasurer; Joan Kelly, President; Robert Clark, Vice-President.

A broader and more complete appreciation of art developed because of the efforts made by the club members.

There were exhibits in the department itself as well as other areas of the school. For example the main hall was the display area for art objects designed by the art students but then brought to life by the welding department.

On February 11 the girl's gym was turned into a colorful, mod, small-scale Greenwich Village as the setting for a fun-filled day known as a "Paint-In" to which crowds of students came either to try their hand at some work of art or to be painted – even to the extent that some were the object of those who were trying the latest fad, "body painting."

The Girls' Athletic Association is an organization designed to stimulate and to expand the girls' interest in athletics. The program helps the young ladies build healthier bodies, make new friends, develop physical skills and exercise traits of good sportsmanship.

Any sophomore or transfer student is eligible for membership in this organization; however, to maintain membership a girl must earn 100 points each year. To get these points she may be a cheerleader, sell programs at the football games, and participate in varsity sports as well as the intramural programs. These girls have decorated bulletin boards that reflected the themes of the various holidays and their homecoming float won third place in the homecoming parade. At the end of the year the girls looked forward to their annual picnic, and they received letters, pins and trophies for their outstanding performances in sports.

Our organization is a member of the National Girls' Athletic Association.

Slowly but surely the work of the 1971 ACORN yearbook staff began.

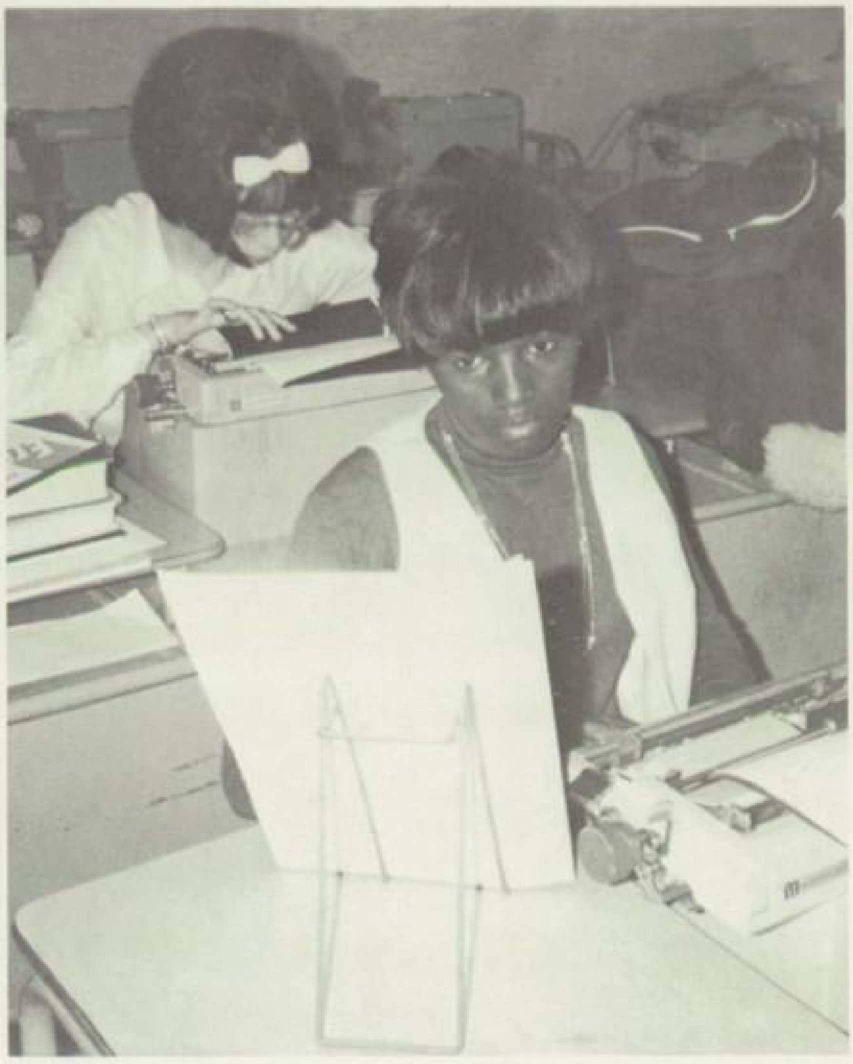
What was this new challenge facing the staff members. The majority of them had never heard of drawing layouts, writing copy, identifying, labeling and numbering pictures, much less being aware of a completely new vocabulary of printing terms.

Some days proceeded smoothly and it was only natural though that others would go somewhat hectic and wrong.

It is with a sense of pride and achievement that this staff presents to Jefferson the 1971 ACORN.

Below left is Kathy Fisher, Editor; Center, Miss Ledford, advisor; right, Theresa Lawrence, Co-editor.

# And On . . . And On



T.H.I.N.K. . . . I think that's how you spell it!

I don't want to hear about it!!

Look at all those pictures!!

Take it easy and see what you think!

Mr. Campbell and his editor Ralph Bratton worked with the staff diligently to get the magazine published.

Freedom of expression! This one phrase is heard so often today. Certainly by working on the magazine staff one found that there was a good opportunity to express himself freely.

Topics of every description were researched, discussed, sometimes protested and sometimes upheld – always in a most lively and interesting way.

It is the opinion of this yearbook staff that students who wrote for the magazine were most perceptive and that they expressed their creative talents to the highest degree.

Accumulating the school news, year round sports action, and writing contentional editorials in the interest of the students, were some of the jobs performed by the Jefferson News Staff of 1970-71.

Publications kept the staff moving to meet the deadlines of the press. Printing done by Roanoke Printing which required communication with that business.

Derek Church – Vice president; Myrtle Ferguson – Secretary; Patsy McGhee – Treasurer; Tommy Helms – President; Beth Fulton – and Robin Richardson – Robe Chairman.

Under the leadership of Mr. Roland Plaster, the Jefferson High School Choir rose to high esteem. Students were motivated to appreciate music more fully by participation in the choir or from simply enjoying what they heard. Many hours of hard work, determination and practice produced the sound which won praise from fellow classmates as well as from adults. A new year and new music added much enjoyment to the choir this year.

MR. STEPHEN MAYBRY
Director

What a busy, busy year the "Marching Magicians," Jefferson's band had. Just to read the list of activities would cause extreme fatigue; but here it is – played at all football and basketball games, took part in the homecoming parade, numerous pep assemblies, the Shrine Bowl parade, Rocky Mount Christmas parade, Roanoke Christmas parade, hosted All-City band, played exchange concerts with Addison, played concerts in several elementary and junior high schools, and gave a spring concert.

Breathes there a soul so dead that does not appreciate marching band music! We think not! It is difficult to say enough in praise of our band, but we certainly want to thank them for making this year extremely lively and enjoyable.

To the strains of the very lively tune "THE HORSE" sixteen lovely girls swing into precise rhythmic step.

These girls were seen in pep assemblies as well as performing at football and basketball games.

The drill team at Jefferson High School goes by the name Magicianettes and is under the direction of Mrs. Kristin Baier.

Girls on this team must be chosen by tryouts. They add color and life to our school and are certainly a necessary part of the integral band unit. For their fine contribution to school spirit of '71 the yearbook says thank you.
